Hi,

Attached is a TDD Amendment Request for the ER-Whiting Refinery project. The initial TDD was setup for \$10,000. Please sign and email back to me so I can get this processed with EPA first thing tomorrow morning (Wednesday 3/26/14).

Jeff mentioned that you wanted a START budget update:

\* On Noon Wednesday 3-26-14 we will have incurred 100% of the \$10,000 approved budget.

Please let me know if you need any additional information or have any questions at this time, otherwise I will await the signed TDD Amendment Request from you for us to process.

Thanks,
